NHFHT and a team member may agree that he/she will work on a holiday. Work performed on a holiday must be authorized in advance by the Executive Director.

If an employee agrees to work on a holiday, the employee will be paid his/her regular rate of pay for work performed on the holiday and receive another day off that would normally be a working day for the employee and for which the employee will be paid holiday pay. The substituted day must be mutually agreed upon and shall be a day that is no later than three (3) months after the holiday and not later than March 31st of the current fiscal year.

In the event that an employee is away on an unpaid leave of absence, away while receiving Short Term Disability or on Long Term Disability at the time of the holiday, the employee shall not be eligible for statutory holiday pay.
